AUSTRALIAN COUNCIL FOR NEW URBANISM

Second Edition November 2006

Australian New Urbanism

A GUIDE TO PROJECTS

Production

This Guide was compiled, edited and produced by Ecologically Sustainable Design Pty Ltd on behalf of the ACNU. Any suggestions or corrections are welcome, together with ideas or contributions for future editions of this Guide. Comments may be sent to: esdesign@netspace.net.au or to acnu@netspace.net.au

Sponsors

The printing of this Guide was made possible through the generous contribution of the following firms:

Ecologically Sustainable Design
Annand Alcock Urban Design
Taylor Burrell Barnett
Roberts Day
The Planning Group (WA)
Deicke Richards
Giles Tribe Architects
John Mongard Landscape Architects

Acknowledgements

Many people in the design and development industry, and in government agencies, have generously contributed material and updates on the projects for which they are responsible, or with which they are familiar. Our thanks go to all contributors.

Special thanks again go to Dee Jenkins of ESD for a marathon effort co-ordinating and producing this second edition.

Disclaimer

This book was compiled from a wide range of information sources. Whilst every effort has been made by the producers to confirm the currency and accuracy of the information contained here in, and to confirm the right to publish the images provided, no responsibility is taken for any errors or omissions.
